

I'm not robot!

In English, there are a lot of specific words for different types of crimes and the criminals who commit them. Unfortunately, the list of crimes and criminals is long! Because the words have specific legal meanings, only a short, basic definition is given below. You may wish to download and print out the list, and write the correct translation of the words in your own language. This would give you the exact meaning. CRIME DEFINITION CRIMINAL abduction taking someone away by force, demanding money for their safe return arson setting fire to a building, cars or property on purpose arsonist assassination killing a famous person or public figure assassin assault attacking someone physically assailant bigamy marrying someone when you are already married to another person bigamist blackmail threatening to reveal someone's secrets if a lot of money is not paid blackmailer\* bombing detonating an explosive device with the plan of harming people or property bomber bribery giving money or granting favors to influence another person's decisions or behavior briber\* burglary breaking into a house in order to steal something burglar child abuse treating a child badly in a physical, emotional, or sexual way child abuser corruption behaving illegally and dishonestly; especially those in power crime doing something illegal that can be punished by law criminal cybercrime doing something illegal over the Internet or a computer system cyber criminal hacker\*\* domestic violence behaving violently inside the home drunk driving driving with too much alcohol in your blood drunk driver embezzlement stealing large amounts of money that you are responsible for, often over a period of time embezzler espionage spying to obtain political or military information spy forgery illegally copying documents, money, etc. to cheat people forger fraud getting money from people by cheating them con artist fraud genocide killing on purpose a large number omoc lageli ogle odnaicogen sepArdal ed
